ESOS Framework

The College is committed to providing you with quality education and protecting your rights. The Australian Government requires overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Service for Overseas (ESOS) Act 2000 and the National Code.

Protection for Overseas Students

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for overseas Students (CRICOS) at <http://www.studyinaustralia.gov.au/CRICOS> registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students. Please check carefully that the details of your course – including location – match the information on CRICOS.

- Your rights to get the education you paid for. The ESOS framework includes consumer protection that will allow you to receive a refund or to be placed in another course if your provider is unable to teach your course.
- Your rights to know:
 - How to use your provider's student support services
 - Who the contact officer is for overseas students
 - If you can apply for course credit
 - When your enrolment can be deferred, suspended or cancelled
 - What your provider's requirements are for satisfactory progress in the courses you study
 - If attendance will be monitored for those courses
 - What will happen if you change providers
 - How to use your provider's complaints and appeals process

Your Responsibilities

- Satisfy your student visa condition
- Maintain your Overseas Student Health Cover (OSHC) for the period of your stay
- Meet the terms of the written agreement with your provider

Accommodation and Living Expenses

An international single student living in Sydney requires approximately AU\$20,292 to \$21,041 for living expenses each year.

Note: This figure does not include tuition fees.

Remember that your cost of living in Sydney will vary according to your lifestyle. For example, eating out at restaurants all the time will increase your living costs a lot, as will driving a car (you will have to pay for petrol, registration, maintenance and insurance, as well as the car itself).

Suggested weekly budget (all figures are in Australia dollars and accurate as of 2014):

Accommodation ranges from \$150 to \$350 a week (for a room in a shared house or apartment)

Food costs range from \$70 to \$120 a week.

Public transport costs range from \$30 to \$50 a week. For more information please visit Sydney

Transport www.131500.com.au/fares/fares

For more information please visit Study in Australia www.studyinaustralia.gov.au/en/study-costs/living/living-costs-in-australia

Accommodation Options

Homestay services provide an opportunity to stay with an Australian family and experience the Australian culture and lifestyle. If you need Homestay, we ask our students to tick 'yes' on the application form. We will send you the contacts of suppliers of this service for you to make your personal choice and suburb of where you want to stay. Most Homestay is a minimum stay of 4 weeks. For Homestay fees, please see the information sent to you once you request this information from us, or visit our website as these prices are also listed under accommodation tab.

Hostel accommodation is a popular option for international students, especially in the first months of their arrival. A small, furnished room is provided with access to a shared bathroom, laundry, lounge and recreational activities. Some hostels also provide computer access. You should inspect more than one before making a decision. Many hostels are privately run and come under the Rooming House Act. If you sign a lease, you are protected by the Residential Tenancies Act.

Apartment/flat rentals vary greatly in cost and condition. Before making long term arrangements, make sure you are familiar with the suburb or area. Before you sign a lease agreement you should get short term accommodation so that you can decide where you want to live.

Banking

It is recommended that you open a bank account soon after arriving. Banks in Australia provide savings and cheque accounts plus a range of other financial services including personal loans, bank drafts and transfer of funds. Exchange of currencies and the purchase of foreign currencies can also be conducted at banks. Travellers cheques can be cashed at banks but you will need to show your passport for identification.

Commonwealth Bank (CBA)

www.commbank.com.au

Westpac Bank

Ground Floor, 2 Park Street

www.westpac.com.au

Opening a Bank Account

If you have been in Australia for less than six weeks, your passport will be enough identification to open a bank account. If you have been in Australia for more than six weeks, you will need some further identification such as your student identity card. Before choosing a bank and a particular account, you should compare interest rates, bank fees, etc. Some banks do provide student account where only government fees are charged.

Most students open an account that has access to an automated teller machine (ATM) via a card. Cash is then accessible 24 hours a day, seven days a week. Most supermarkets and shopping places have facilities to purchase goods with your ATM card known as EFTPOS facilities.

Banking Hours

Banking hours vary, but these are the general banking hours of most banks: Monday to Thursday: 9.00am to 4.00pm, Friday: 9.00am to 5.00pm, Saturday and Sunday closed. Some banks may open Saturday mornings

Places of Worship

There is complete freedom of religion in Australia. Most of the world religions are represented in Sydney and have their own places of worship. These can be found in the Sydney White Pages, listed alphabetically under the denomination.

The majority of Australians are Christian, the three largest denominations being Anglican, Roman Catholic and Uniting Church. Smaller Christian denominations include Lutheran, Jehovah's Witness, Seventh Day Adventist and Baptist. Other major religions with a great many adherents in Australia include Judaism, Islam, Buddhism, Hinduism and Taoism.

Counselling

If you have a personal problem, your **SSO** can make an appointment for you to see the college counsellor.

Counselling provided by our Welfare Counsellor is available to those studying at the College on matters ranging from private concerns to living issues.

Students can see the counsellor for a variety of reasons. Everyone finds themselves in difficult circumstances at some time in their lives. Sometimes students want to speak to someone who is professional, confidential and separate from family and friends.

Reasons to speak with the Counsellor

If you are having personal difficulties, or just want to talk about:

- Your special needs
- Your disability
- Relationships
- Family issues
- Ongoing problems with anxiety, stress, shyness, depression, low self esteem
- If you need moral support in attempting something challenging

The College will provide access to welfare related support services to assist students at no additional cost to the student, which includes counselling services. In some cases, the College counsellor may refer you to an external provider, which will be at no additional cost, however, the external provider may have their own service fees, and students may have to pay this fee. Please see Student Services Officer to learn more about Counselling Services that are offered and to make an appointment.

Facilities and Equipment

Facilities and equipment are set up, checked and maintained regularly to ensure effective, efficient and safe operation. Students have access to necessary instructional and assessment facilities, materials and equipment. Training facilities include:

- Adequate acoustics, ventilation and lighting
- Amenities for coffee and lunch breaks
- Toilet facilities
- Computer labs
- Free wireless internet
- Student lounge and lunch area

Library

The College has a reference library which has supporting English textbooks, plus other additional reference books for further support for English learning. The library has PC's available to use. Students can also use the PC's inside the classrooms for self study during breaks. These computers are there for students to use.

Students are provided with the correct information to enable them to have access to the State Library of NSW from which they can resource services online through their State Library membership.

Attendance Policy

The class roll is a record of attendance which clearly records your actual time in the class room. Attendance is recorded on the roll at every session for 20 hours per week.

If you have a student visa, your required attendance rate is 80% over the period of your studies.

If you fall below the 80 percent attendance requirement for the duration of your Confirmation of Enrolment (CoE), the college may report you to the Department of Immigration.

You must notify the College if you are sick and unable to attend classes. You should seek the services of a qualified medical doctor (ie. a registered General Practitioner) for treatment, and ask for a Medical Certificate to explain your absence.

Absences need to be supported by a medical certificate and are counted towards your total absences when calculating attendance.

If you are absent for 4 consecutive days the college will contact you by phone or e-mail to find out the reason for your falling attendance and to see what support the college can offer.

Attendance Warning Letters

1st Warning Letter

Once your attendance has dropped to 85% (i.e. you have missed 15% of the course contact hours for the study period) a warning letter will be sent to you by the Student Services Officer.

2nd Warning Letter (Intention to Report)

Once it is no longer possible for you to attain 80% attendance for the study period.

You will be notified in writing of the college's **intention to report** you for not achieving satisfactory attendance.

The written notification will also inform you that you have 20 working days after receiving the notice to lodge an appeal.

It is important to remember you must obtain documented evidence to support your appeal.

If you do not appeal within the 20 working day period process, or the process is completed and results in a decision supporting the college, the college will report you.

The college may choose not to report you for attending less than 80 percent if:

- there is documentary evidence demonstrating that compassionate or compelling circumstances apply
- you are attending at least 70 per cent of the course contact hours for which you are enrolled;
- this is consistent with the college's documented attendance policies and procedures.

Compassionate or Compelling Circumstances affecting Attendance

Such examples include:

- unexpected severe illness or death of a family member (supported by a medical certificate which states you were unable to attend classes)
- you are involved in custody proceedings for your child (statutory declaration witnessed by a Justice of the Peace required)
- you or an accompanying family member has an acute medical condition requiring treatment (supporting documentation required)

- you have been involved in legal proceedings where the timing is beyond your control (supporting documentation required)
- you have been caught up in a natural disaster, political uprising or other similar event (supporting documentation required)
- you have an accident, fall seriously ill or contract a serious medical condition after arriving in Australia (supporting documentation required)
- delay in receiving your student visa (supported by relevant documentation)
- you are pregnant (statutory declaration witnessed by the Student Welfare Officer required)
- you witness or are the victim of a serious crime (supported by police or psychologists' reports)
- other (attach supporting documentation)

The following, would NOT be considered compelling or compassionate circumstances or a critical incident:

- difficulties in adjusting to living in Australia or academic life
- A wedding
- relationship problems
- financial difficulties
- generally feeling “depressed” about circumstances where the depression is not clinically diagnosed by a qualified professional.
- inability to begin studying on the course commencement date because travel has not been organised in time.

Maintaining satisfactory attendance is a **student visa** requirement. If your attendance falls below the required level, the college will cancel your COE.

If you have any questions about the **student visa** conditions and the possible outcome of breaching them, you should access the Department of Immigration website - <http://www.immi.gov.au/> or call the helpline on 131 881 for information.

Terms & Study Periods

There are no terms for English students. Classes, or study periods, operate on a rolling 49 week academic year with a 3 week scheduled break over the Christmas/New Year period.

Complaints and Appeals Policy and Procedure

How to make a complaint, how to deal with a complaint and how to find support

What can a complaint be about?

- The service provided by our Student Services Officers
- Your class, your level or your Teacher
- Any problem that you may have
- Anything else that you are not happy about

Who can make a complaint?

Any person can make a complaint, including a student, any employee or contractor in any campus or location where the organisation's services are provided.

How can a complaint be made?

A complaint can be made orally or in writing. You can make a complaint by speaking to your Teacher or the Student Services Officer. If your complaint cannot be resolved by speaking to our staff you can fill in a complaints form and help with this will be provided if you need it. ***You are entitled to have a support person present when making the complaint and at any other meeting.** The Academic Manager will inform you about the complaints and appeals processes during the orientation program. You will be provided with information on how to access the complaints forms. While all complaints and appeals are in process, the college will maintain the enrolment of the student.

Informal Complaint

Most problems can be resolved quickly if students speak with someone who knows how to help. You do NOT have to give your name.

Talk to someone

Formal Complaint

If the matter cannot be resolved by talking to someone a Complaints & Appeals form should be filled in and given to the Student Services Officer. There are no associated fees for this.

Fill in a complaints form

It is preferable (but not essential) that you write your name on the complaint form and sign it. Students should be aware that, in some instances, a complaint cannot proceed if it is anonymous or if you request that your identity be withheld. We will assess your complaint within 10 working days and all reasonable measures are taken to finalise the process as soon as possible. If you have made a complaint you will be given a written statement of the outcome, including details and the reasons for the outcome.

The Outcome of a Complaint

It is not always possible to ensure that a student is satisfied with the outcome of a complaint. The college is bound by policy and legislative requirements which means that it will not always be possible to give the student the outcome they are looking for. If the process is not completed within 60 days, the college will advise you in writing of its status.

External Complaints or Appeals

If a student is dissatisfied with the outcome of the complaint or appeal at the end of the internal process, the student may wish the matter be dealt with through an external dispute resolution process facilitated by the Overseas Students Ombudsman. NSEC does not charge any student for the referrals to external support services/agencies.

Things you should know about complaining to the Overseas Students Ombudsman (OSO)

- In Australia, you have the right to complain.
- The Overseas Students Ombudsman's services are free.
- In some cases, the Ombudsman may decide not to investigate your complaint. This might happen where another organisation can help you, or you have not spoken to your provider about your complaint.
- If OSO decides **not** to investigate, they will tell you why. The Overseas Students Ombudsman may refer you to another organisation that can help.
- The Ombudsman is independent and impartial. If OSO **does** decide to investigate your complaint, they will contact the education provider and ask us what happened.
- The Overseas Students Ombudsman will treat your information with privacy and respect, and collect, store, use and disclose your personal information only in accordance with Australian privacy laws.

Leave of Absence

Students who wish to defer, suspend or cancel enrolment can apply to do so only if the course in which they were enrolled is unavailable, their visa is delayed or there are compassionate or compelling circumstances. Compassionate or compelling circumstances are usually beyond the control of the student and have an impact on the student's course progress or the student's well-being. Compassionate or compelling circumstances include:

- serious injury or illness, supported by a medical certificate which states that the student was or will be unable to attend classes bereavement of close family members such as parents or grandparents
- major political upheaval or natural disaster in the home country, requiring emergency travel which has had an impact on the student's studies
- traumatic experiences such as the being a victim of, being involved in, or witnessing, a serious crime

Effect of deferral, suspension or cancellation of enrolment on a student's visa

Deferral, suspension or cancellation of an enrolment is likely to have an effect on a student's visa. Students should contact the nearest Department of Immigration office or refer to www.immi.gov.au for further information. All deferrals, suspensions and cancellations of enrolment are notified to the Department of Immigration via the PRISMS system and all documentation about the deferral, suspension or cancellation of a student is filed in the student's file.

How to Apply for Leave of Absence

To apply for leave of absence, the student must allow at least 15 working days. Students need to complete the application and hand it in to the student services officer with supporting evidence for the application. Enrolment Procedure for North Sydney English College & Lloyds International College

Full - time Study

As part of a student's visa conditions, overseas students in Australia must study full time (minimum 20 hours per week).

Medical Problems

If you can't attend college because you are sick you must get a valid medical certificate **from a Doctor**. This document will state the reason for your illness and the dates you are unable to attend college.

You must take this certificate to your student services officer who will copy it and keep it in your student file. We will record the details on our student data base. You will still be marked 'absent' but it will be taken into consideration by Department of Immigration if your attendance falls below 80%. You should keep the original copy as Department of Immigration may wish to see it.

It is a crime in Australia to forge a medical certificate, and the Australian Medical Association may pursue criminal charges against any student who forges a certificate.

Monitoring Course Progress

Policy

The College is to assess the course progress of each student to review any need for promoting them to a higher level course as well as to identify students at risk of failing to meet course progress requirements. Course progress of each student is assessed, recorded and made available to students promptly and monitored. Students at risk of failing to meet course progress requirements are notified and counselled.

Procedure

1. Every eight weeks students undergo a mid or end course test covering the first or second half of their text books. The test covers reading, writing, speaking, listening and grammar.
2. Progress tests are also undertaken at 4 weeks and 12 weeks during a 16 week course period. The progress test covers grammar, vocabulary, pronunciation listening and speaking skills.
3. The teacher records the results in relation to the various skills (speaking, grammar, reading etc.) as well as the overall percentage on the Class Assessment Record Sheet and retains this in the Class folder.
4. Assessment records of the above tests are retained by the Academic Manager in the Class Assessment Records Folder.
5. A student is considered to be making satisfactory progress when s/he achieves an average score of at least 50% over all skills.
6. To assist students at risk of failing to achieve satisfactory progress, following the the 8 (eight) week and 16 (sixteen) week class assessments, teachers interview each student and fill in the 'Class Progress Feedback' form to give feedback on their progress, identify student needs and students' areas of difficulty and give guidance to assist with any difficulties.

Students' Visa and Immigration Requirements

Overseas students should be aware that visa and immigration regulations are very complex and vary depending on the nationality of a student and his or her particular individual circumstances. Students are encouraged to visit the Department of Home Affairs (DHA) website www.immi.gov.au for information.

Conditions of Your Student Visa include:

Valid Student Visa throughout Your Studies

International students must have a valid student visa for the duration of their studies in Australia.

Students will only be issued with a student visa for study in Australia if they seek to undertake a full-time course (20 hours per week) that is accredited and registered by the Australian Government.

Students must satisfy visa requirements and comply with a number of visa conditions for attendance and academic performance, which come into effect after they have entered Australia. It is important to comply with these visa conditions. All students must provide correct contact details (including address, mobile number and email) to the college. All students must update their contact details with the college within seven days of change. Under The Education Services for Overseas Students Act 2000 (ESOS Act), the college will contact the students regularly to verify the contact details.

Full-time Enrolment

International students on a student visa must enrol in full-time study (20 hours per week). Students must maintain a minimum of 80% attendance of all scheduled classes for each term.

Students Must Remain with One Education Provider

Students must remain with the education provider with whom they originally enrolled for at least the first 6 months of their principal course. A transfer will only be allowed in exceptional circumstances. Where a student undertakes a preparatory course prior to commencing their principal course they must complete the preparatory study and 6 months of the principal course before changing the provider.

Transfer between providers Policy

Students must complete six months of their principal program of study (except under exceptional circumstances) before changing providers in accordance with Standard 7 of the National Code 2018 of the ESOS Act.

Transfer applications to the College.

Where the student has not completed 6 months study of their principal course, students must be released from the institution where they are currently enrolled. The student may however be provided with a "conditional" Letter of Offer.

Students seeking to transfer from another provider within the first six months of their program are able to do so only in the following special circumstances:

- The original registered provider has released the student
- Any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

Students of another provider seeking to transfer to the college will be required to provide evidence of one or more of the above circumstances with their application to be enrolled at the college.

Where the provider has not released the student, the application process is pending until it can be re-activated once the 6 month period has passed.

Note: In the very rare circumstances where the original institution or course has ceased to be registered, or sanctions have been placed on the original institution by the Australian government which do not allow the student to continue with the course, no letter of release is required.

Transfer applications out of the College - application for release

Students who have completed less than six months of their principal course with the college may transfer to another provider only if they are released by the college. A student who wishes to request a transfer to another provider should make a request by completing an early leave from study form available from the reception desk and submitting it to the Student Services Officer.

- The form must be accompanied by an enrolment offer letter from another provider.
- The student may have to meet with the Academic Manager to get approval for release.
- The outcome of the application for release will be available to the student within 10 working days.
- The outcome of each student request of transfer to another provider is recorded in PRISMS.
- Records of transfer requests are maintained for 2 years.

Circumstances in which a transfer will be granted

The Academic Manager will only allow a student to transfer to another RTO in exceptional circumstances where it is considered in the best interest of the student, academically and personally or:

- The registered provider has ceased to be registered, or the course in which the student has enrolled has ceased to be registered or the registered provider fails to deliver the course as outlined in the written agreement.
- There is evidence that the student was misled and therefore reasonable expectations about the course are not being met or it is unsuitable to their needs or study objectives or
- The student is unable to achieve satisfactory course progress at the level they are studying, even after engaging with the college's intervention strategy or
- Circumstances in which the student can provide evidence that continuation or enrolment at the college would be to the detriment of the student's emotional or physical well-being such as compassionate and compelling circumstances or
- An appeal on another matter has resulted in a decision to release the overseas student. the

Acceptance:

Once the student is released:

- We email confirmation to the student.
- It will be at no cost to the student.
- Transfer request outcome and termination of studies will be reported through PRISMS
- The student will be advised of the need to contact Department of Home Affairs (DHA) to seek advice on whether a new student visa is required.
- A copy of the release email will be filed in the student's admin file accompanied with a completed copy of the early leave from study form.

Circumstances in which transfer will not be granted

A request for a release letter to allow a student to transfer to another provider may be refused for any of the following reasons:

- The student has not made satisfactory academic progress and is seeking a transfer to avoid being reported to DEEWR or has not genuinely engaged with the college's intervention strategy
- has not attended the course as required and is seeking a transfer to avoid being reported to DEEWR
- the student owes course fees to the college
- exceptional circumstances relating to the welfare of the student have not been demonstrated
- the proposed transfer may be considered detrimental to the student's welfare or personal safety

Refusal:

- The student will be sent an email of refusal of release which contains details of the outcome of the application, reasons for refusal and including that the student has 20 working days to appeal, using the college complaints and appeals process.
- After 20 working days with no appeal, the SSO records the transfer refusal in student file. If student does appeal the decision using the colleges complaints and appeals process and it is still refused, the student has a right to access external complaints and appeals with the student ombudsman within 10 days of the refusal from the college. Student must advise the college they are going through the external appeal. After 20 working days, if the appeal isn't found in favor of the student, the refusal status is finalised on PRISMS.

The College's Responsibility regarding Visa Violation

One aspect of the obligations on registered providers is to keep records of each accepted student (Point 21 of the ESOS 2000 Act) and to notify the appropriate agency when students breach their student visa condition. The ESOS (2000) Act, Point 20 states:

'A registered provider must send an accepted student of the provider a written notice if the student has breached a student visa condition relating to attendance or satisfactory academic performance.

'Students will have 20 working days from the date of the notification to appeal.

When a student has been identified as violating visa conditions the College is obliged to report them via the Department of Education and Training database PRISMS. A notification letter automatically prints off the system for certain violations. A letter is sent to the student.

Working in Australia

The student visa allows a student to work up to 40 hours per fortnight during the study term and full time during College term breaks. Australia provides good opportunities for part time and casual work. Rates of wages may range from AUD\$15 to AUD \$20 per hour for casual work depending on the job.

If your student visa was granted after 26 April 2008 you will receive the permission to work with your visa grant. You don't need to apply for it separately. The College will notify the Department of Immigration electronically that you have commenced your course. This will be done within one week of your study commencement.

Student visa holders have conditions placed on their ability to engage in paid work. There will be restrictions on the number of hours you are allowed to work.

In order to work in Australia you need to have a Tax File Number.

For a Tax file number you should apply online at www.ato.gov.au
